

Date : 2nd June 2021

Dipen Jakasaniya

:: Day -7 ::

**** Work Summary ****

❖ Day-7 : What we have learnt ?

- In today's session we created project and app.
- After that we run our server and make migrations.
- And we added urls to the url.py files.

✧ This Internship is Task Based Internship. So at the end of this session we got one Task.

✧ Github Task-7 Link :-

✧ **Task :-** Print Hello_World using basic Django.

✧ **Output :-**

Day_7
